make sure there is an adult or someone who knows CPR watching while you swim
always swim with a buddy, never swim alone
help empty portable pools when you’re done using them
wear a coast guard approved life vest if you can’t swim

**Directions:** Use the grid to copy the picture
never run around the pool

Directions: Unscramble the letters to reveal the message on the sign

NONU  N  ING  R  

UNONGRNRI
never dive into the shallow end of the pool

**Directions:** Color the sign
make a pool watcher badge

What you need
- printer
- card-stock
- scissors
- yarn

What to do
1. Put card-stock into your printer and print this page
2. Using scissors, cut out the badge (get an adult to help if you need it)
3. Cut out a hole for the yarn to go through
4. String the yarn through the hole to make a long necklace
5. Give it to the adult or person who knows CPR to wear when they are watching you in the pool.

This badge will help identify who the pool watcher is. Make sure that you are never in the pool unless you have a designated pool watcher.
